

# WATER DOG™

The Ultimate Water Trailers

## Waterdog™ 500 Series

**Heavy Duty** is the mark of the the 500 gallon Water Dog™. This is the toughest and most popular water transport trailer on the market. It offers several different functions including rear spray, side spray (optional), fire and garden hose hook ups, and hydrant fill. A control manifold makes it easy to operate and it's easy and stable to tow. Our Water Dog™ is built contractor tough and easy to use.

Break-away Fill

Lockable Storage

Updated Manifold

**New and Improved Design for the Contractor Based on User Input. Only at C&I Equipment**

**Versatile** – Dust control, concrete saws, fire control, street cleaning, water transport, ditch jetting...

**Cost Effective** – Avoid expensive truck rentals, Quality design eliminates downtime, easy to maintain,

**User Friendly** – Driver--side controls ...no need to jump over the tongue. **Tow with a ½ or ¾ ton pick-up!!**
